City of Glendora Receives Distinguished Budget Presentation Award

Glendora, CA – The Distinguished Budget Presentation Award was presented to the City of Glendora by the Government Finance Officers Association of the United States and Canada (GFOA) for its annual budget preparation for the fiscal year beginning July 1, 2012. This award represents a significant achievement in that it reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting.

In order to receive the budget award the entity must satisfy nationally recognized guidelines for effective budget presentation and meet program criteria in the area of policy documents, financial plan, operations guide and a communications device.

A Certificate of Recognition for Budget Presentation is also presented to the individual(s), department or agency designated by the government as primarily responsible for its entity receiving this award. This has been presented to Lettie De Dios, Assistant Finance Director for the City of Glendora.

This represents the 4th year in a row that the City of Glendora's primary budget plan has been recognized by GFOA for its outstanding presentation.

The GFOA is a nonprofit professional association serving approximately 17,400 government finance professionals throughout North America. The Distinguished Budget Presentation Awards Program is the only national awards program in governmental budgeting.
