WHAT IS THE POLICE EXPLORER PROGRAM?

Glendora Police Explorer Post 402 provides an opportunity for young men and women to experience first-hand how a police department functions and what it takes to get started in a challenging career in law enforcement.

Explorers receive hands on training from police officers and other department personnel at each regularly scheduled meeting in various aspects of police work such as city geography, radio codes, traffic stops, handcuffing techniques, building searches, traffic control and other vital skills. The training culminates in the Post participating in the Explorer Games competition in August.

Explorers can also participate in ride alongs with Glendora police officers. This enables the Explorer to observe the police officer as they perform their duties.
