### MARGINAL FUNCTIONS

These are position functions which may be changed, deleted or reassigned to accommodate an individual with a disability.

### QUALIFICATIONS GUIDELINES

Education and/or Experience *Any combination of education and experience that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:*

A Bachelors' Degree in Public Administration, Business Administration or a related field; Master's Degree is highly desirable, plus 3 years of responsible, professional and supervisory experience preferably in transit operations with grant writing and administration experience.

#### Knowledge and Skill Levels

Knowledge of municipal transit operations; related laws and regulations; principles of administration and supervision; principles of organization, administration, budget, audit, and personnel management; federal and state regulations relating to grant proposals and safe working practices; methods and techniques of research and statistical analysis, report preparation, administrative analysis and problem solving.

### PHYSICAL DEMANDS AND WORKING ENVIRONMENT

*The conditions herein are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.*

Environment: Work is performed in a standard office setting with some travel from site to site. Duties are typically performed at a desk or computer terminal; subject to noise from office equipment operation; frequent interruptions and contact in person and on the telephone with a variety of City staff and others. At least minimal environmental controls are in place to assure health and comfort.

Physical: Primary functions require sufficient physical ability and mobility to work in an office setting; to stand or sit for prolonged periods of time; to occasionally stoop, bend, kneel, crouch, reach, and twist; to lift, carry, push, and/or pull light to moderate amounts of weight; to operate office equipment requiring repetitive hand movement and fine coordination including use of a computer keyboard; and to verbally communicate to exchange information.

Vision: See in the normal visual range with or without correction.

Hearing: Hear in the normal audio range with or without correction.
