ASK THE 'COMPUTER GUYS'

Bring your computer questions/problems and our resident computer software 'tech-ie,' Ell Fullmer, will attempt to help you solve them. Come on down to the La Fetra Center on the SECOND THURSDAY of each month from 9:00 a.m.-12:00 p.m. and 'challenge' Ell with your Email, Internet, Excel, Microsoft XP, or other computer questions.

WINDOWS 7 FOR BEGINNERS

If you are new to PCs or have been using a PC for awhile but want to use it more effectively, then this 8 week course is for you. We will cover the fundamentals for the new computer user starting with how to turn it on and off. You will learn to become comfortable and enjoy your computer, write letters and memos on the computer, send and receive email, explore the World Wide Web, and customize your computer settings. Limited to 10 students who must each have his/her own PC or laptop running Windows 7 and an internet connection. Classroom PCs and other learning materials are provided.
